1. German - South American
Meeting on
Peripheral Nerve Surgery
(PNS)

13th -14th November 2015
Castle Reisenburg /Guenzburg
Germany

Dear Colleagues,

I would like to invite you to the first German - South American Meeting on Peripheral Nerve Surgery (PNS) on 13th and 14th November 2015 at the Castle Reisensburg in Guenzburg, Germany.

It will be the first meeting under the auspices of the Committee on Peripheral Nerve Surgery of WFNS. Hosted by the Section of Peripheral Nerve of the German Neurosurgical Society and organized by the Neurosurgical Department, University of Ulm, Germany, the two-day meeting aims to provide nerve surgeons with an excellent platform for the exchange of clinical and scientific knowledge on the latest developments and emerging challenges of nerve surgery and associated sciences.

This first meeting will feature an exciting line-up of expert speakers, opinion leaders and researchers predominantly from Germany and South America, but will include contributions from other countries in Europe.

The Castle Reisensburg is the Science Center of the University of Ulm, located in Guenzburg and has accommodation facilities for participants.

I would like to welcome you to experience the west Bavarian region (Swabia) and I look forward to meeting you all in Guenzburg.

Gregor Antoniadis
